Summary of ADA Guidance During the

COVID-19 Crisis The COVID-19

pandemic, caused by coronavirus

(SARS-CoV-2 virus), has caused

major disruption in the lives of dental

teams in the USA. ADA and many

state dental associations have urged

dental offices to treat only emergency

patients; some states or local

governments have mandated this.

## *Summary of ADA Guidance During the COVID-19 Crisis*

The current American Dental Association (ADA) recommendation for dentists to keep their offices closed to all but emergency care expires on April 6. The new interim recommendation from the ADA is that dentists keep their offices closed to all but urgent and emergency procedures until April 30 at the earliest.

The Americans with Disabilities Act (ADA) became law in 1990. The ADA is a civil rights law that prohibits discrimination against individuals with disabilities in all areas of public life, including jobs, schools, transportation, and all public and private places that are open to the general public. The purpose of the law is to make sure that people with disabilities have the same rights and opportunities as everyone else.
