A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

Nobel Peace Prize winner and New York Times bestselling author Malala Yousafzai's first picture book, inspired by her own childhood. Malala's first picture book will inspire young readers everywhere to find the magic all around them. As a child in Pakistan, Malala made a wish for a magic pencil. She would use it to make everyone happy, to erase the smell of garbage from her city, to sleep an extra hour in the morning. But as she grew older, Malala saw that there were more important things to wish for. She saw a world that needed fixing. And even if she never found a magic pencil, Malala realized that she could still work hard every day to make her wishes come true. This beautifully illustrated volume tells Malala's story for a younger audience and shows them the worldview that allowed Malala to hold on to hope even in the most difficult of times. "This is a wonderful read for younger students that will also provide insight and encourage discussion about the wider world.... The simplicity of Yousafzai's writing and the powerful message she sends, make this book inspirational for all." -- School Library Journal

Zulaikha hopes. She hopes for peace, now that the Taliban have been driven from Afghanistan; a good relationship with her hard stepmother; and one day even to go to school, or to have her cleft palate fixed. Zulaikha knows all will be provided for her--"Inshallah," God willing. Then she meets Meena, who offers to teach her the Afghan poetry she taught her late mother. And the Americans come to her village, promising not just new opportunities and dangers, but surgery to fix her face. These changes could mean a whole new life for Zulaikha--but can she dare to hope they'll come true?

In this powerful book, Nobel Peace Prize winner and New York Times bestselling author Malala Yousafzai introduces the people behind the statistics and news stories about the millions of people displaced worldwide. After her father was murdered, Mar í escaped in the middle of the night with her mother. Zaynab was out of school for two years as she fled war before landing in America. Her sister, Sabreen, survived a harrowing journey to Italy. Ajida escaped horrific violence, but then found herself battling the elements to keep her family safe. Malala's experiences visiting refugee camps caused her to reconsider her own displacement — first as an Internally Displaced Person when she was a young child in Pakistan, and then as an international activist who could travel anywhere in the world except to the home she loved. In *We Are Displaced*, Malala not only explores her own story, but she also shares the personal stories of some of the incredible girls she has met on her journeys — girls who have lost their community, relatives, and often the only world they've ever known. In a time of immigration crises, war, and border conflicts, *We Are Displaced* is an important reminder from one of the world's most prominent young activists that every single one of the 68.5 million currently displaced is a person — often a young person — with hopes and dreams. "A stirring and timely book." —New York Times

Malala Yousafzai was a girl who loved to learn but was told that girls would no longer be allowed to go to school. Let Her Fly traces the inspirational journey of Malala Yousafzai's father, Ziauddin, from a boy in Shangla to a man who broke with tradition and proves there are many faces of feminism. With humor and sincerity, Yousafzai describes his life before the Talibanization of Mingora, scenes of his sons Khusal and Atal fighting kites on the roof, his progressive partnership with his wife Toor Pekai, and the challenge of raising children in an unfamiliar country. After Malala was shot by the Taliban, the Yousafzai family was completely uprooted from their home in the Swat Valley and forced to start over in the United Kingdom. Now, Ziauddin expresses the complex pain and joy of his return, six years later, to the site of Malala's attack. Let Her Fly is an intimate family portrait by the father of one of the most remarkable leaders in the world today. Ziauddin and Toor Pekai have set a singular example for parents who hope to empower their children to make a difference. Let Her Fly will resonate with anyone who has ever cared for a child, as Ziauddin Yousafzai shares what he's learned from his children, and what he hopes to teach the world.
