stunning frankness about losing a daughter. Richly textured with memories from her own childhood and married life with her husband, John Gregory Dunne, and daughter, Quintana Roo, this new book by Joan Didion is an intensely personal and moving account of her thoughts, fears, and doubts regarding having children, illness and growing old.

Blue Nights is a memoir written by American author Joan Didion, first published in 2011. The memoir is an account of the death of Didion's daughter, Quintana, who died in 2005 at age 39. Didion also discusses her own feelings on parenthood and aging. The title refers to certain times in the "summer solstice when the twilights turn long and blue." Blue Nights is notable for its "nihilistic" attitude towards grief as Didion offers little understanding or explanation of her daughter's death. Writin

Blue Nights, Joan Didion, 2011. A moving book about the death of her 39-year-old daughter, Quintana Roo. Few details about the illness or death are given; rather, the author looks back lovingly on her daughter's early years, their relationship, and specific memories. Didion explores adoption, aging, aloneness, and the loss of one's ...

In essence, *Blue Nights* tries to offer Didion's life-time setting of personal accounts. The book attempts to cope with the terrible loss of her husband and her adopted daughter, Quintana Roo, as seen through her own perspective of aging, frailty, fear of debilitating disease and death, and above all - loneliness.
