American Academy of Professional Coders (AAPC) has developed a study guide. In each chapter of the study guide, pertinent physician coding principles are followed by coding scenarios related to that chapter. The study guide is not an introduction to coding but a review of coding concepts. It includes all the content sections found in the exam.

CPC Certification Study Guide Flashcards | Quizlet

The aim of this workbook is to serve as a guide through the C.P.C. process, from formation of a C.P.C. committee to discussion of the work and activities such committees can perform. It is important to remember that cooperation with professionals — like everything else in A.A. — is based on personal contact.
