~~Leadership and Early Years~~

~~Professionalism – Jennie Lindon ...~~

Introduction. Around the world there is increasing interest in the professionalism of early years practitioners and in the leadership and management of provision. This theme has run through many issues of the Journal of Early Childhood Research, which continues to welcome qualitative, critical reports on these issues and how they impact and influence the quality of provision for young children and their families.

preparation: a ...~~

Professionalism is a contemporary issue, acquiring a high profile in education and more recently in early years education and care. However, the emphasis appears to be on deriving a body of standards or competencies that teachers, early years professionals, integrated centre managers need to acquire – rather than what it is to be a professional.
