~~Description. Master Your Theory is a series of books each of which is an instruction book and workbook combined. It follows a comprehensive course which is planned so that the student may begin with the very first principles of music theory and work gradually upwards through the grades. By working out the exercises which immediately follow each point made, the student will consolidate knowledge at every step of the way, and at the same time revise facts already learnt.~~

Practice lessons designed for the beginning student in music theory.

This practical, easy-to-use, self-study course is perfect for pianists, guitarists, instrumentalists, vocalists, songwriters, arrangers and composers, and includes ear training CDs to help develop your musical ear. In this all-in-one theory course, you will learn the essentials of music through 75 concise lessons, practice your music reading and writing skills in the exercises, improve your listening skills with the enclosed ear training CDs, and test your knowledge with a review that completes each of the 18 units. Answers are included in the back of the book for all exercises, ear training and review.

Fully revised, this workbook remains the best way to prepare for ABRSM's Grade 1 Theory of Music Exam. Features a clear explanation of music notation, many worked examples and practice exercises, definitions of important words and concepts, specimen exam questions and helpful tips for students.

This first introduction to music theory is perfect for children ages 4-7. Music Theory Made Easy for Kids is filled with colorful illustrations and fun musical sticker sheets in each book.
