What is the business model for low-cost airlines? What can a SWOT analysis teach us about the beer war in South Africa? How does changing labour legislation affect staffing decisions. Business cases 2e is a case study book which is complementary to the Introduction to Business Management product suite (including Multiple Choice Questions for Introduction to Business Management). The cases illustrate how business management theory is applied to local organisations. This holistic approach exposes students to the important aspects of owning and managing a business, especially in the South African context. Business cases 2e is written for

This textbook provides a comprehensive account of the most important new Civil Procedure Rules, Practice Directions and Pre-action Protocols, which make up our newly reformed civil procedure system. The substance of the rules are considered in detail and their effect explained to make it clear how they operate in practice. Case law is examined to demonstrate how the court applies the rules in practice. The Woolf Reforms are used to

explain the rationale of the new system.; The book provides not only a clear guide to the meaning of the new rules but also a vital insight into the new culture, typified by case management, proportionality and the overriding objective, which has fundamentally reformed the principles on which our civil procedure system is based. A critique is given of the merits of the reforms and the likelihood that they will achieve their objectives.

Comrade-lover caught up in the shade and shadow of politics and social injustice faces treachery and betrayal on every level. Set against the backdrop of a cityscape that taunts and tantalises, this is where love fails and passion wanes, "where suffering has no meaning", where an individual escapes death only to find himself confronted with choices wrought by remorse and retribution, by conscience and character. And yet, with all trauma, there is a distinct musicality to the lyrical unpacking that follows a string of small things ...
