Money and Banking (Test Questions) - Economics Discussion

If you invest in an FTSE 100 ETF your money would grow or diminish at the same rate as the FTSE100. This is because the ETF is actually made up of all the stocks in the FTSE 100. Of course, it would take a lot of money for an individual to actually buy all these stocks, but by creating a common fund this can easily be achieved.

The real intelligence test is not to take this test. I am sure I had all the questions right, since they are so easy, with 8 minutes to spare, and still I was dumb enough to go for it (although I knew it could happen, I was expecting it would be a honest, non-hidden costs, proposal, eventually to sell you something "more" in the end, but at least giving you some return for the time you invested).

Here at last are the hard-to-find answers to the dizzying array of financial questions plaguing those who are age fifty and older. The financial world is more complex than ever, and people are struggling to make sense of it all. If you're like most people moving into the phase of life where protecting—as well as growing— assets is paramount, you're faced with a number of financial puzzles. Maybe you're struggling to get your kids through college without drawing down your life's savings. Perhaps you sense your nest egg is at risk and want to move into safer investments. Maybe you're contemplating downsizing to a smaller home, but aren't sure of the financial implications. Possibly, medical expenses have become a bigger drain than you expected and you need help assessing options. Perhaps you'll shortly be eligible for social security but want to optimize when and how to take it. Whatever your specific financial issue, one thing is certain—your range of choices is vast. As the financial world becomes increasingly complex, what you need is deeply researched advice from professionals whose credentials are impeccable and who prize clarity and straightforwardness over financial mumbo-jumbo. Carrie Schwab-Pomerantz and the Schwab team have been helping clients tackle their toughest money issues for decades. Through Carrie's popular "Ask Carrie" columns, her leadership of the Charles Schwab Foundation, and her work across party lines through two White House administrations and with the President's Advisory Council on Financial Capability, she has become one of America's most trusted sources for financial advice. Here, Carrie will not only answer all the questions that keep you up at night, she'll provide answers to many questions you haven't considered but should.

Financial education is now a necessary skill for survival. Why empowerment and education? Because education without action fails! So, now what? Your parents likely didn't face this issue, and you weren't taught personal finance in school. Where are you supposed to learn how money works? More importantly, how to make money work for you? On the verge of receiving your first paycheck or laying out your financial plan, you need to know what to do, what not to do, and where your money is supposed to go. Jedidiah Collins faced the same dilemma when he was handed his first paycheck as an NFL player. The idea of planning for his long-term financial security was the last thing on his mind. In Your Money Vehicle, Jedidiah unwraps the complicated language of money into short, digestible stories that give you the clarity it took him years to find. You'll walk through ten questions designed to start you on your financial journey and receive guidance on how to get started with cash management, taxes, investments, and more as you create your personal plan. You'll walk away with the skills to make money work for you and help others do the same!

If you're looking for practical information to answer all your "How?" "What?" and "Why?" questions about money, this book is for you. Dave Ramsey's Complete Guide to Money covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all?giving. This is the handbook of Financial Peace University. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in The Total Money Makeover, and trust us?the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

The founder and president of Christian Financial Concepts, a non-profit organization dedicated to teaching biblical principles of money management, presents the most reqlently asked questions and answers from his national radio show, Money Matters.

Unlike other dry business books, this refreshing, straightforward guide from Logo Design Love author and international designer David Airey answers the questions all designers have when first starting out on their own. In fact, the book was inspired by the many questions David receives every day from the more than 600,000 designers who visit his three blogs (Logo Design Love, Identity Designed, and DavidAirey.com) each month. How do I find new clients? How much should I charge for my design work? When should I say no to a client? How do I handle difficult clients? What should I be sure to include in my contracts? David's readers—a passionate and vocal group—regularly ask him these questions and many more on how to launch and run their own design careers. With this book, David finally answers their pressing questions with anecdotes, case studies, and sound advice garnered from his own experience as well as those of such well-known designers as Ivan Chermayeff, Jerry Kuyper, Maggie Macnab, Eric Karjaluoto, and Von Glitschka. Designers just starting out on their own will find this book invaluable in succeeding in today's hyper-networked, global economy.
