available in the ebook version.

When you think of marketing you may think of the adverts that pop up at the side of your screen or the billboards you see when you're out - all those moments in the day when somebody is trying to grab your attention and sell you something! Marketing is about advertising and communications in part, but it's also about many other things which all aim to create value for customers, from product research and innovation to after-care service and maintaining relationships. It's a rich and fascinating area of management waiting to be explored - so welcome to Marketing! Jim Blythe's Principles and Practice of Marketing will ease you into the complexities of Marketing to help you achieve success in your studies and get the best grade. It provides plenty of engaging real-

life examples, including brands you know such as Netflix and PayPal - marketing is not just about products, but services too. Marketing changes as the world changes, and this textbook is here to help, keeping you up to speed on key topics such as digital technologies, globalization and being green. The companion website offers a wealth of resources for both students and lecturers and is available at [www.sagepub.co.uk/blythe3e](http://www.sagepub.co.uk/blythe3e). An electronic inspection copy is also available for instructors.

Marketing: Real People, Real Choices brings you and your students into the world of marketing through the use of real companies and the real-life marketing issues that they have faced in recent times. The authors explain core concepts and theories in Marketing, while allowing the reader to search for the information and then apply it

including advertising, new product development, sales promotion, pricing, and logistics. For farmers, consumers, or those in food marketing.

**MARKETING: THE CORE**, 2/e by Kerin, Berkowitz, Hartley, and Rudelius continues the tradition of cutting-edge content and student-friendliness set by Marketing 8/e, but in a shorter, more accessible package. The Core distills Marketing's 22 chapters down to 18, leaving instructors just the content they need to cover the essentials of marketing in a single semester. Instructors using The Core also benefit from a full-sized supplements package. The Core is more than just a "baby Kerin"; it combines great writing style, currency, and supplements into the ideal package.
