About the Author

Statistics A

Research Methods and

Statistics – British

Geriatrics Society

Thinking  
Approach

Quantitative research deals with numbers and statistics, while qualitative research deals with words and meanings.

Quantitative methods allow you to test a hypothesis by systematically collecting

Acces PDF

Research

and analyzing data, while qualitative methods allow you to explore ideas and experiences in depth.

Thinking

~~Research Methods |~~  
~~Definitions, Types,~~  
Examples

Quantitative outcome research is mostly conducted in the social sciences using the statistical methods used above to collect
