In the acclaimed sequel to Nobody Nowhere--in which Donna Williams gives readers a guided tour of life with autism--Williams explores the four years since her diagnosis and her attempts to leave her "world under glass" and live normally. NPR sponsorship.

Somewhere est un recueil de 27 photographies accompagnées de 27 textes d'auteurs contemporains. Toujours captivé par l'architecture, l'industrie et l'urbanisme, Rith Bannney, avec Somewhere, nous raconte ces lieux oubliés, délaissés et désincarnés. Ces lieux autrefois pleins de vie et d'activité, dont il ne reste plus guère qu'un sentiment d'abandon, de vide et de solitude. Ces lieux qui finissent pas perdre la mémoire. Jouant sur le flou et le figé, les clichés spontanés qui composent Somewhere réaniment ces vestiges surannés, ces ruines qui n'ont de cesse que de nous rappeler notre propre issue. Somewhere repeuple ces lieux, y fait renaître un début d'âme, une étincelle de vie. Somewhere tire sur le fil ténu du passé et en extirpe les fantômes. Somewhere enfin, nous interroge : que restera t-il demain de tout ce qui aujourd'hui, nous semble acquis, intemporel, inaliénable ? Somewhere est une histoire en image et en texte, en noir et en blanc, décliné en 6 actes. Chaque photographie est accompagnée d'un texte écrit par un auteur contemporain parmi lesquels : Guillaume Siaudeau , Mehdi Berger , Marie-Josée Desvignes , Pierre Henry , Ariane Monod , Sonia Ligorred , Veronique Belenger , Caroline Duris , Julien Martins , Gilles Piazio , Marie-Josée Christien , Olivier Noël , Clara Regy , Leonel Houssam , Julien Chabbert , Richard Mesplède , Eve Zibelyne , Barbara Albeck , Guérolé Boillot , Mike Kasprzak , Lubna Bangs , Irène Figuerola , Al Denton , Juliette Bouchot , Bénédicte Coudière , Sylvain-René de la Verdière & Noé Gaud .

Business Result Second Edition offers business professionals more communication and language practice than ever before, helping students develop relevant communication skills they can use immediately in the workplace.

Build your fluency in Spanish by mastering its pronouns and prepositions Pronouns and prepositions may be small, but they are crucial for effective communication with speakers of Spanish. Practice Makes Perfect: Spanish Pronouns and Prepositions is the go-to guide for clear, precise explanations that pinpoint when a certain word should be used in a given situation. Learners will also receive plenty of practice in using their new language skills. And this book is accompanied by flashcards and audio recordings (available online and via app) that provide an extra dimension to your study of Spanish. THE BOOK IS DIVIDED INTO THREE MAIN PARTS: PART I covers pronouns, including subject, interrogative, possessive, relative, demonstrative and reciprocal pronouns, as well as double-object pronoun order, se and the passive voice, and more. PART II focuses on prepositions, including their various uses and the subtle difference. And, of course, there is extensive practice with the perennial troublemakers por and para! The Appendixes feature helpful charts, explanations, and summaries of the eight parts of speech, with special emphasis on pronouns and prepositions.

Life, Death, and Somewhere In Between is the deeply personal story of one mans journey through some of the roughest obstacles in his life. The author shares the sights, sounds, thoughts, and emotions that resulted from life-altering events, including the deaths of his sixty-three-year-old mother and eighteen-year-old daughter within eight weeks of each other; the near death of his twenty-four-year-old daughter four years later; how performing CPR on a seventeen-year-old male profoundly affected his life; and the authors own out-of-body experience as a teenager due to a farm accident. Life, Death, and Somewhere In Between is the story of how it all ties together and shows that ultimately, LIFE WINS.

Get ready for an adventure in the deep, dark jungle of language! In that jungle lurk some mighty strange creatures. Gerunds and adverbs and nouns, oh, my! But few, if any, are as remarkable as the wild verb 'get.' In spoken American English, this tiny, three-letter word is the magic key to another enormous language. 'Get' is a colloquial code to express an awesome range of actions, attitudes, emotions, intentions, and implications. Now come along on a most unusual safari into the jungle of how Americans actually talk. You'll hear the way we talk in casual situations, not that formal stuff for public speaking, business, or writing. You'll marvel at the agility and expressiveness of 'get' and soon start noticing how everybody uses it all the time. And believe you me, it really does take a whole book to define this little bitty word. Be sure and wear sensible shoes and bring something to eat and drink because it's going to be quite a hike! Always keep a sharp eye out for
