The Critic As Artist. by Oscar Wilde. But, surely, Criticism is itself an art. And just as artistic creation implies the working of the critical faculty, and, indeed, without it cannot be said to exist at all, so Criticism is really creative in the highest sense of the word. Criticism is, in fact, both creative and independent.

But the same logic applies to the critic, for he stands to the artist as the artist stands to the actor. Just as the artist re-makes the act, so the critic redefines the art. And just as there is artistic license, so there is critical license--the carte blanche to distort the works of others in the service of one's own genius.
