Real witches are the most dangerous of all living creatures on earth. There's nothing they hate so much as children, and they work all kinds of terrifying spells to get rid of them. Her grandson listens closely to Grandamma's stories—but nothing can prepare him for the day he comes face-to-face with The Grand High Witch herself!

The Witches by Roald Dahl, read by Miranda Richardson by ...

Penguin presents a brand-new recording of Roald Dahl's classic The Witches, read by Miranda Richardson. The Witches have a motto: One child a week is 52 a year. Squish them and squiggle them and make them disappear.

The Witches by Roald Dahl | Audiobook | Audible.com

The Witches by Stacy Schiff I think I would like this book, but I do not like the audiobook. The reading should have been more straightforward. It sounds too cutesy, like everything is an inside joke, not like a non-fiction book at all. I won't finish listening to it, as I don't want the audiobook to ruin the book for me.

The Pulitzer Prize-winning author of *Cleopatra*, the #1 national bestseller, unpacks the mystery of the Salem Witch Trials. It began in 1692, over an exceptionally raw Massachusetts winter, when a minister ' s daughter began to scream and convulse. It ended less than a year later, but not before nineteen men and women had been hanged and an eighty-year-old man crushed to death.

From the World's No. 1 Storyteller, *The Witches* is a children's classic that has captured young reader's imaginations for generations. This is not a fairy tale. This is about real witches. Grandamma loves to tell about witches. Real witches are the most dangerous of all living creatures on earth. There's nothing they hate so much as children, and they work all kinds of terrifying spells to get rid of them. Her grandson listens closely to Grandamma's stories—but nothing can prepare him for the day he comes face-to-face with The Grand High Witch herself! Now a major motion picture!

The Pulitzer Prize-winning author of *Cleopatra*, the #1 national bestseller, unpacks the mystery of the Salem Witch Trials. It began in 1692, over an exceptionally raw Massachusetts winter, when a minister's daughter began to scream and convulse. It ended less than a year later, but not before 19 men and women had been hanged and an elderly man crushed to death. The panic spread quickly, involving the most educated men and prominent politicians in the colony. Neighbors accused neighbors, parents and children each other. Aside from suffrage, the Salem Witch Trials represent the only moment when women played the central role in American history. In curious ways, the trials would shape the future republic. As psychologically thrilling as it is historically seminal, *THE WITCHES* is Stacy Schiff's account of this fantastical story—the first great American mystery unveiled fully for the first time by one of our most acclaimed historians.

In this wickedly funny cultural critique, the author of the critically acclaimed memoir and Hulu series *Shrill* exposes misogyny in the #MeToo era. This is a witch hunt. We're witches, and we're hunting you. From the moment powerful men started falling to the #MeToo movement, the lamentations began: this is feminism gone too far, this is injustice, this is a witch hunt. In *The Witches Are Coming*, firebrand author of the New York Times bestselling memoir and now critically acclaimed Hulu TV series *Shrill*, Lindy West, turns that refrain on its head. You think this is a witch hunt? Fine. You've got one. In a laugh-out-loud, incisive cultural critique, West exploits the world-changing magic of truth, urging readers to reckon with dark lies in the heart of the American mythos, and unpacking the complicated, and sometimes tragic, politics of not being a white man in the twenty-first century. She tracks the misogyny and propaganda hidden (or not so hidden) in the media she and her peers devoured growing up, a buffet of distortions, delusions, prejudice, and outright bullsh!t that has allowed white male mediocrity to maintain a death grip on American culture and politics—and that delivered us to this precarious, disorienting moment in history. West writes, "We were just a hair's breadth from electing America's first female president to succeed America's first black president. We weren't done, but we were doing it. And then, true to form—like the Balgoy's whip catching Gandalf by his little gray bootie, like the husband in a Lifetime movie hissing, "If I can't have you, no one can!"—white American voters shoved an incompetent, racist con man into the White House." We cannot understand how we got here—how the land of the free became Trump's America—without examining the chasm between who we are and who we think we are, without fact-checking the stories we tell ourselves about ourselves and each other. The truth can transform us; there is witchcraft in it. Lindy West turns it all.

" From Wiccan author Arin Murphy-Hiscock comes this fantastic guide to spiritual self-care with a witchy bent. The Witch ' s Guide to Self-Care contains recipes for products and spells for self-restoration. " —Bustle Worship yourself the witchy way—learn how to nourish your body and spirit with herbal remedies, spells, and rituals inspired by witchcraft in this unique, enchanted guide to self-care! INTERNATIONAL BESTSELLER " Wonderfully wicked and deliciously dark, *The Witches* of New York had me totally spellbound. Reminiscent of Jonathan Strange & Mr Norrell, Ami McKay has written a book brimming with atmosphere, intrigue, and a cast of mesmerising characters. I loved it. " — Hazel Gaynor, New York Times bestselling author of *The Girl Who Came Home* Respectable Lady Seeks Dependable Shop Girl. Those averse to magic need not apply. New York in the spring of 1880 is a place alive with wonder and curiosity. Determined to learn the truth about the world, its residents enthusiastically engage in both scientific experimentation and spiritualist pursuits. Séances are the entertainment of choice in exclusive social circles, and many enterprising women—some possessed of true intuitive powers, and some gifted with the art of performance—find work as mediums. Enter Adelaide Thom and Eleanor St. Clair. At their humble teashop, Tea and Sympathy, they provide a place for whispered confessions, secret cures, and spiritual assignments for a select society of ladies, who speak the right words and ask the right questions. But the profile of Tea and Sympathy is about to change with the fortuitous arrival of Beatrice Dunn. When seventeen-year-old Beatrice leaves the safety of her village to answer an ad that reads "Respectable Lady Seeks Dependable Shop Girl. Those averse to magic need not apply," she has little inclination of what the job will demand of her. Beatrice doesn't know it yet, but she is no ordinary small-town girl; she has great spiritual gifts—ones that will serve as her greatest asset and also place her in grave danger. Under the tutelage of Adelaide and Eleanor, Beatrice comes to harness many of her powers, but not even they can prepare her for the evils lurking in the darkest corners of the city or the courage it will take to face them.

A magical lifestyle guide for everything from powering up a stylish crystal to banishing terrible Tinder dates Want to feel terrifyingly beautiful? Wear the right color of eye shadow to project otherworldly glamour. Need to exorcise a toxic friendship? Repeat the proper incantation and make it disappear. Want to increase your energy? DIY projects, rituals, and spells—along with fun historical sidebars—summon the best trends of the modern witchy lifestyle and the time-trusted traditions of the hell-raising women of the past. With humor, heart, and a hip sensibility, Jaya Saxena and Jess Zimmerman dispense witchy wisdom for the curious, the cynical, and anyone who could use a magical boost. Selected Table of Contents: CHAPTER 1 - Self-Initiation: An Induction into Basic Witchery What We Mean by " Witchcraft " Our Favorite Pop Culture Witches CHAPTER 2 - Glamours: The Power to Change How You Look How to Clothe Yourself in Literal Darkness The Dark Magic of Unfeminine Haircuts A Spell for Self-Care CHAPTER 3 - Healing: The Power to Care for Yourself A Spell to Make Peace with Your Body Magical Exercise A Ritual for a Relaxing Netflix Binge CHAPTER 4 - Summoning: The Power to Care for Others (and Have Them Care for You) The Transformative Power of Vulnerability A Collaborative Ritual to Deepen Friendship CHAPTER 5 - Enchantment: The Power to Make Choices about Love and Sex Conjuring Your Perfect Mate The Magic Circle of Consent A Spell for Talking about Sex CHAPTER 6 - Banishment: The Power to Avoid What Brings You Down Expelling Social Toxicity The Different Types of Personal Demons A Spell to Counter Impostor Syndrome CHAPTER 7 - Divination: The Power to Decide Your Destiny A Spell to Name Your Heart ' s Desire How to Read Tea Leaves

"Devin Hunter's new book digs deeply into the roots of what makes a witch powerful. He doesn't gloss over the soul-searching work with simple spell "bandaids." Instead, he offers readings and exercises that empower the witch in mind, body, and soul."—Courtney Weber, author of *Brigid: History, Mystery, and Magic of the Celtic Goddess* Ignite the Holy Fire Within. Become the Witch You Were Meant to Be Witchcraft isn't always about the search for enlightenment; sometimes it's about power and the path to obtaining it. *The Witch's Book of Power* shares the secrets to unlocking the Witch Power within you, offering specific techniques for working with personal, cosmic, and ally energies to realize your full magical potential. Professional witch and psychic Devin Hunter has helped thousands of people discover their power and gain influence, and in this book he skillfully explores the concepts behind creating magic that can change your life. *The Witch's Book of Power* is the perfect resource for witches who intuitively feel that more power is available but seems to be just beyond reach. Praise: "You may or may not choose to follow the path that he has laid out exactly, but I'll wager that you will find something that you want to borrow into your practices. True Witches use what works and you'll find much in this book that yields results."—Ivo Dominguez, Jr., author of *Spirit Speak* "The Witch's Book of Power is a missing link in modern witchcraft training. Readers will find just what they need to ignite the spark of power that all witches need for an effective practice."—David Salisbury, author of *The Deep Heart of Witchcraft* "Devin Hunter is this generation's Headmaster of Witchcraft."—Jacki Smith, author of *Coventry Magic*

Chilling real-life accounts of witches, from medieval Europe through colonial America From a manual for witch hunters written by King James himself in 1597, to court documents from the Salem witch trials of 1692, to newspaper coverage of a woman stoned to death on the streets of Philadelphia while the Continental Congress met, *The Penguin Book of Witches* is a treasury of historical accounts of accused witches that sheds light on the reality behind the legends. Bringing to life stories like that of Eunice Cole, tried for attacking a teenage girl with a rock and buried with a stake through her heart; Jane Jacobs, a Bostonian so often accused of witchcraft that she took her tormentors to court on charges of slander; and Increase Mather, an exorcism-performing minister famed for his knowledge of witches, this volume provides a unique tour through the darkest history of English and North American witchcraft.

The history of American witches is way weirder than you ever imagined. From bewitched pigs hell-bent on revenge to gruesome twentieth-century murders, *American Witches* reveals strange incidents of witchcraft that have long been swept under the rug as bizarre sidenotes to history. On a tour through history that ' s both whimsical and startling, we ' ll encounter seventeenth-century children flying around inside their New England home " like geese. " We ' ll meet a father-son team of pious Puritans who embarked on a mission that involved undressing ladies and overseeing hangings. And on the eve of the Civil War, we ' ll accompany a reporter as he dons a dress and goes searching for witches in New York City ' s most dangerous neighborhoods. Entertainingly readable and rich in amazing details often left out of today ' s texts, *American Witches* casts a flickering torchlight into the dark corners of American history.

In the late 1800s, three sisters use witchcraft to change the course of history in this powerful novel of magic, family, and the suffragette movement. In 1893, there's no such thing as witches. There used to be, in the wild, dark days before the burnings began, but now witching is nothing but tidy charms and nursery rhymes. If the modern woman wants any measure of power, she must find it at the ballot box. But when the Eastwood sisters James Juniper, Agnes Amaranth, and Beatrice Belladonna join the suffragists of New Salem, they begin to pursue the forgotten words and ways that might turn the women's movement into the witch's movement. Stalked by shadows and sickness, hunted by forces who will not suffer a witch to vote and perhaps not even to live the sisters will need to delve into the oldest magics, draw new alliances, and heal the bond between them if they want to survive. There's no such thing as witches. But there will be. An homage to the indomitable power and persistence of women, *The Once and Future Witches* reimagines stories of revolution, motherhood, and women's suffrage—the lost ways are calling. Praise for *The Once and Future Witches*: "A gorgeous and thrilling paean to the ferocious power of women. The characters live, bleed, and roar. I adore them, and long for witchcraft to awaken in all of us. Harrow makes it feel possible, and even likely." Laini Taylor, New York Times bestselling author "A glorious escape into a world where witchcraft has dwindled to a memory of women's magic, and three wild, sundered sisters hold the key to bring it back...A tale that will sweep you away." Yangsze Choo, New York Times bestselling author "This book is an amazing bit of spellcraft and resistance so needed in our times, and a reminder that secret words and ways can never be truly and properly lost, as long as there are tongues to speak them and ears to listen." P. Djèli Clark, author *The Black God's Drum* For more from Alix E. Harrow, check out *The Ten Thousand Doors of January*. Named One of the Best Books of the Year by NPR Books • Barnes and Noble • BookPage
