The Year of the Flood covers much of the same history as that presented in Oryx and Crake, but this material appears from the perspective of two female characters in the Pleeblands, as opposed to two male characters from the Compounds. If you haven't read Oryx and Crake, you may want to ask a friend for a recap of the plot.

[Discussion Questions for Margaret Atwood's Year of the Flood](#)

The Problem with the Year of the Flood is that the end of the story is already told by the first book. We know how the utopia that is the present was created. So the reader gets the story just in two other points of view. That is nice to have but it takes some of the suspense. A lot of time is also spend in explaining the views and the ...
