The problem I have with "Why we hate the oil companies" is not so much its message. By itself, it is rather interesting to read about the energy and environmental problem through vision of someone from the inside of what is usually portrayed as evil itself. This book does the job of giving that inside view quite nicely.

Two, four, six, eight, who do we love to hate? The oil companies! Despite my story lead, I was not a cheerleader in another life but I couldn't get that cheer out of my head while I read this week's book, "Why We Hate The Oil Companies Straight Talk From An Energy Insider," by John Hofmeister. I recently gave Mr. Hofmeister some ink when he predicted that the country would see \$5 per ...
