Ysio Max is a modular system that can be tailored to precisely meet your requirements. With Ysio Max, you only pay for what you need. Simply tailor the modular system to precisely meet your patient and case mix. Of course, you can always add more components in the future if your requirements change.

Digital Radiography System - Ysio Max - Siemens Healthineers
Ysio Max is a modular system that can be tailored to precisely meet your requirements. With Ysio Max, you only pay for what you need. Simply tailor the modular system to precisely meet your patient and case mix. Of course, you can always add more components in the future if your requirements change.

Ysio Max - Digital Radiography Machine - Siemens ...
Siemens' high-end digital X-ray machine Ysio Max 1 offers multiple advances enabling you to achieve the best image quality in the shortest amount of time possible with your system. Avoid double takes and double dose in radiographic imaging by automatically standardizing free examinations – with MAXalign.

Digital Radiography System - Ysio Max - Siemens ...
Using this feature, the technologist can, for example, take chest images in bed without the need for a second X-ray image. The Ysio Max also has MAXswap – one-click registration designed for easier, faster, and safer detector sharing with the MAX mini and MAX wi-D detectors. The Ysio Max's unique system positioning, FAST (Free Axis Simultaneous Travel), ensures that the system automatically takes the fastest, safest way to the desired position.

Ysio Max | Siemens Healthineers - Omnia Health
Ysio Max represents an outstanding investment – for today and for tomorrow. Its unique features help staff work faster, more efficiently, and with less physical stress. Whether you choose fully automated or fully synchronized, Ysio Max is flexibly configurable, letting you expand the functionality of the system with additional clinical applications such as automatic Ortho or tomography 1 as and when you need them.

SIEMENS Ysio Max - Geleceğin Sağlık Teknolojileri
Siemens Healthcare has announced that the US Food and Drug Administration (FDA) recently granted 510(k) clearance to the Ysio Max, an innovative new digital radiography (DR) system offering Multiple Advances in X-ray (MAX) – including time-saving user support features and new X-ray detectors – to enable outstanding image quality in the shortest amount of time possible.

FDA Clearance Given to Siemens' Ysio Max Digital ...
Siemens Ysio Max Digital Radiography System FDA Cleared. Cardiology. Sleep Apnea Testing at Home: Interview with Laurent Martinot, CEO of Sunrise.

Plasma Protease C1-inhibitor Treatment market to garner a ...
The company said the new MAX functions are currently available on the systems Ysio Max (radiography), Uroskop Omnia Max (urology), and Luminos dRF Max and Luminos Agile Max (fluoroscopy). Siemens Ysio Max Digital Radiography System FDA Cleared. High Resolution Ultrasound for Precise Tumor Ablation. Cardiology. Siemens epoc NXS Host Mobile Computer Cleared to Help Point of Care ...

The Luminos Agile, A New Fluoroscopy System by Siemens ...
The Ysio Max DR system also offers three specialized system detectors to maximize performance throughout the radiology department. The MAX wi-D detector is Siemens' lightest 14x17" wireless detector with a handle; it weighs 6.6 lbs. and is.7" thick to help improve utilization for technologists.

FDA Clears Siemens Ysio Max Digital Radiography System ...
Where the Siemens Ysio Max Wins. The Ysio Max has the advantage in overall flexibility. With up to 3 detector options (all 3 can be used in one room), the ability to select the correct image FOV for various studies is a plus. From 10x12 for small limb/joint studies, to 17x17 for long bone and spine studies, there's an FOV for just about everything..

Siemens Ysio vs. GE XR 656 - Block Imaging
DESCRIPTION The most direct way to the image. Siemens' high-end digital radiography (DR) system Ysio Max offers multiple advances enabling you to achieve the best image quality in the shortest amount of time possible with your system. It lets you enjoy the proactive support of MAX assistance and...
